

# Canada's Resource Champions

## Invest in Natural Resource Trade: Invest in Canada's Future

Resource Champions is a network of over 100 Chambers of Commerce and Boards of Trade in almost every province and territory.

We believe that natural resource trade is crucial to Canada's future.

**Without reinvestment in pipelines, ports, rail and roads, Canada's future will literally miss the boat.**

### Natural Resource Trade

Sustains Canada's prosperity

Lets Canada punch above its weight for the environment

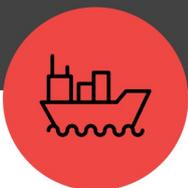

Opens global doors for Canada

Supports innovation and the knowledge economy

### CANADA'S RESOURCE CHAMPIONS CALLS ON GOVERNMENTS TO:

Ensure the capacity of Canada's strategic gateways, trade corridors and border crossings to keep pace with growing demand

Collaborate at all levels to help facilitate future rail expansion and capacity projects

Approve crucial energy trade infrastructure like, East and Trans Mountain Pipelines and an LNG export terminal

Create an infrastructure bank to support road and rail networks, especially in Canada's north
